Your membership card along with discount vouchers will be sent out at least 2 weeks before the Harborough Screen opens. Your contact details will never be passed to third parties and will only be used to give you updates on the campaign and then programme information once the cinema is open.

*Please note that although you will be paying your money now, your membership won't become active until the Harborough Screen opens and starts showing films. That means your membership will be valid for 12 months after the 'grand opening'.

I would like to help with the campaign. I have the following skills:

- Admin support
- General building / construction skills
- Advertising sales
- Help in some other way _____

Thank you. We can only make this cinema happen with your support! Ask your family and friends to join as well and together we will have a cinema in the town this summer!
